7 to 9**

www.alsepneo.com

APRIL 7

10 am Welcome

Development of interventions with equity Mónica Morgues MD

10.45 am Prof Dr Nicholas Embleton Conference

Moderator Carmen Vecchiarelli MD

Nutrition and associated risks: Reducing NEC risk and postnatal growth restriction.

11.30 am Prof. Dr. Rubén Alvaro Conference

Moderator Thais Agut MD

Hypoxemic intermittent events and long-term neurodevelopmental outcomes.

12.15 pm Alfonso de Jesús Martínez García MD Conference

Moderator Tamara Salmen MD

Impact of preterm birth on cardiovascular health in adulthood.

1.15 to 2 pm Symposium: Nutrition in Latin America

Moderator Ana Lucia Diez MD

Results of the nutritional ALSEPNEO survey in Latin America. Carmen Vecchiarelli MD
Comments from the ALSEPNEO Nutrition Group

2 to 3 pm SYMPOSIUM A

3 pm Roundtable Perinatology

Moderator Cristina González Amaro MD

High perinatal risk. Prenatal recommended practices benefits. Prenatal diagnosis. Jorge Gutierrez MD

Role of Fetal Medicine in decreasing morbidity and mortality of children with congenital anomalies. Claudia Cannizzaro MD
Follow-up Networks. Lidia Giudici MD

4.30 to 6 pm

Discussion of selected scientific papers

SYMPOSIUM

LRTI Prevention - Palivizumab

Acellular vaccines - Nutrition Pros-Cons

Respiratory Health - Continuous oximetry

Audiology - Telemedicine, Smartphone images, and artificial intelligence for the prevention and treatment of ROP

APRIL 8

10 am Discussion of selected scientific papers

11 am Prof. Dr. Saroj Saigal Conference

Moderator Josefa Castro MD

Life perspectives of former very premature infants.

12 pm Roundtable Families

Moderator Rita Silveira MD

Butterfly Project. Nicholas Embleton MD

The family in the NICU and associated

long-term outcomes. Carmen Rosa Pallás MD

Adults who were born preterm. Martha Cristo PhD, Gabriela Muniagurria PhD

1 pm Roundtable Covid19 Experience

Moderator Gabriela Bazán MD

Socioeconomic inequalities in the risk for preterm birth, low birth weight and intrauterine growth restriction during the Covid19 Pandemic, in the population of Uruguay. Daniel Borbonet MD
Spanish experience with the national registry COVID19-SENeo. Belén Fernández Colomer MD

2 to 3 pm SYMPOSIUM B

3.30 pm Roundtable Mental Health

Moderator René Barrera MD

Baby withdrawal alert (ADBB): Preterm birth and mental health long-term outcomes- ADBB Chilean Project. Jorge Bustamante MD
Attachment. Martha Cristo PhD

5 pm Roundtable: Caregiver's Stress and Developmental outcomes

Moderator Cecilia Reyes RN

Role of stress in child and family development: a view from neuroscience. Marta Martínez MD

Addressing Family stress in the NICU

Mary Paz Conde Reyes PhD

Family experience with high-risk children.

Marta Luz Russi N MD

Experience vs. evidence and stress. Ana Perelli RN

APRIL 9

10 am Roundtable Kangaroo Mother Care and Follow-up

Moderators Alejandra Jiménez Luna RN, Angela Lombo MD

KMC, a complex intervention with long lasting term effects Nathalie Charpak MD

Kangaroo Mother Care and low birthweight babies survival. Prof. Suman Rao

Follow-up Program organization. Andrea Ghione MD

11.30 am Roundtable: Oral health care in high-risk patients

Moderator Virginia Varela PhD

Feeding skills. Mónica Trovato PhD

Oral health: Odontologist Martha A. Conde

12.30 pm Roundtable Interdiscipline and Disability

Moderator Alejandro Maccarrone MD

Interdisciplinary approach to patients with disability Pilar Ibarra Reyes PhD

Interdisciplinary approach to Disability: Adherence and attendance to the program. Bruno Camaggi Diaz MD

2 to 3 pm SYMPOSIUM C

3 pm Roundtable How do you work in the Comarcas?

Moderators Verónica Jara MD, Maritza Ramos MD

Health and Education co-working: Teachers and

Health professionals training. Early Childhood

Development. Angela Lombo MD, René Barrera MD,

Ivonne D'Apremont MD, Rita Silveira MD

4.30 pm Roundtable "Popurri" with experts

Moderator Mónica Morgues MD

Early programming of high blood pressure. Adriana Iturzaeta MD

Ambulatory follow-up of oxygen-dependent children. Andrea Parra MD

Follow-up of newborns with congenital anomalies and surgical corrections. Lidia Giudici MD

5.30 pm Roundtable Social and environmental impact on the high risk infant

Moderator Martha Cristo PhD

Psychosocial risks and developmental outcomes

Gabriela Pose PhD

Environmental risks and neurodevelopmental

outcomes Rosalía Jiménez Quiróz PhD

6.15 pm Closing Ceremony. Awards
