

Absiraci Submission Guide (oral or e-poster presentation)

We invite all researchers involved in Follow-up of high risk newborns to submit their research to the 2nd Latin American Congress of Pediatric and Neonatal Follow-up, which will be held on May 18, 19 and 20, 2023.

All abstracts submitted will be presented in oral or electronic poster session, after selection through peer review process. The best 3 abstracts will be awarded in the closing session of the Congress. Papers accepted for oral presentation will have a space to be presented and discussed.

Papers accepted in e-poster format will be presented within a platform that will allow videos on demand to provide detail of the research carried out; all e-poster presentations will be displayed in a platform.

KEY DATES

| Submission Deadline | Review and selection | Notification sent by email |
|---------------------|----------------------|----------------------------|
| March 10, 2023 | March 11, 2023 | April 18, 2023 |

ABSTRACT SUBMISSION

How to submit your abstract?

Before submitting an abstract, the first author must setup a user account in e-Abstract® as an author at www.eabstract.cl. After setting up a new account, you should expect to receive a confirmation email. Once you receive this confirmation, please login and submit your abstract. For assistance, send an email to soporte@eabstract.cl. Once the account is activated you can: upload your abstract in the system. As the lead author, you will be able to access to review and edit your abstract until the deadline.

Abstracts format

The abstract must be written in Spanish. - Acronyms can be used, as long as they are explained. - The abstract should not include information about the authors as well as the name of the institution / center / city in which it is carried out, so the reviews and the selection process are kept blind to the reviewers.
